

ANNOUNCEMENT.

The attention of the readers of the EVANGELIST is earnestly called to the work of Ashland University and the announcements for the coming college year.

The university offers instruction in TEN DEPARTMENTS. Our *Preparatory* course is in itself thorough and practical and will fit one for the Freshman Class. The *Normal* course is equal to that of the best schools. When completed, it thoroughly qualifies one for the work of the teacher. The regular work is done in the college courses. Both *Scientific* and *Classical* instruction is given. These courses compare favorably with those of other colleges. The advantages offered in the *Shorthand*, *Type-writing* and *Business* departments are equal to the best. Nor are the *Musical* and *Art* departments less fully equipped. These departments are worthy of the patronage of those seeking these accomplishments. To those who desire an education in Theology, our *Theological* courses of study are open.

The Faculty the coming year will be stronger than ever before. Each instructor is a specialist in the particular department under his or her charge. Each teacher in the University is a *Christian*. The students are under positive Christian influences. Each teacher takes *personal* interest in each student's progress.

Another item of interest not to be forgotten is the fact that *expenses at Ashland are less* than at any other place where equal advantages are offered.

The fall term will begin Tuesday, Sept. 10, 1895.

We have a beautifully executed and artistic catalogue, brimful of valuable information which we will be pleased to send you. If you are interested tell us so by writing a postal card. Any information cheerfully given. Address,
